## Overview

**Philips LFH0005 (30 Minute) Mini Audio Cassette**  
The high-quality Philips mini cassette is the only cassette specially developed for dictation purposes. It's unique design guarantees long-lasting performance in professional dictation environments. The direct drive solution, guarantees an ideal friction specification of the tape, avoiding tape tangle, or tape breakage. Protective clip with dual functionality. It protects the sensitive magnetic tape and makes sorting easy. The transparent window of the cassette housing gives quick indication of remaining recording time. The Philips mini cassette allows you to record for 30 minutes.
